

Shanna Reyes

Shanna and her family

Shanna and her husband RJ were great supporters of NBGR and we are all devastated by her passing. For the last few years Shanna fostered one of our seniors, Sassy, who departed on January 29, 2014.

Shanna had a baby boy on March 3, 2014.

On Easter Day April 20, 2014 Shanna died.

In her husband's words "The Love of my life, Light of my world, Mother of my child and Soul mate passed away on Easter. She was everything to me and so many around her. I miss you so much and all I want is for you to come back home. Please pray for her."

Shanna is in heaven keeping company with Sassy and the other departed Brussels Griffons.
